

Eversource Energy Schedules Webcast to Discuss First Quarter Results

April 10, 2025

HARTFORD, Conn. & BOSTON--([BUSINESS WIRE](#))--Eversource Energy will webcast a conference call with financial analysts on Friday, May 2, 2025, beginning at 9 a.m. Eastern Time, at which senior management will review the company's financial performance through the first quarter of 2025.

This listen-only, live audio presentation will be accessible from the [Investors section of the Eversource website](#).

Investors and analysts wishing to participate in the Q&A session of the call and access the event via phone, please pre-register [here](#). Pre-registration may be completed at any time up to the call start time.

Eversource (NYSE: ES), celebrated as a national leader for its corporate citizenship, is recognized as the #1 U.S. utility on [TIMEs](#) List of World's Best Companies for 2024. Eversource transmits and delivers electricity and natural gas and supplies water to approximately 4.6 million customers in Connecticut, Massachusetts and New Hampshire. The #1 energy efficiency provider in the nation, Eversource harnesses the commitment of more than 10,000 employees across three states to build a single, united company around the mission of safely delivering reliable energy and water with superior customer service. The company is empowering a clean energy future in the Northeast, with nationally recognized energy efficiency solutions and successful programs to integrate new clean energy resources, like a first-in-the-nation networked geothermal pilot project, solar, offshore wind, electric vehicles and battery storage, into the electric system.
